

Society of Physics Students
Penn State Chapter

Minutes 10-22-08

Commence

Projects

Hovercraft

If interested see Brandon

Need to be certified to use power tools, probably working on the project in 2 weeks.

Lee's projects (Trebuchet, electric car) starting this weekend, contact him. Sunday all day!!!

Speakers

Professor Speeches:

Moses Chan, Crespi, Banavar

Speeches would probably be on Wednesday nights

Grad students might give speeches as well

Announcements

Those who are going to Chicago need to talk to Therese.
Bookshelf for a Physics Library is a possibility.

Treasury

Money = \$1050.96

Note, we get many \$1000 in department money as well.

Adjourn
