NAFSE works under the navy, takes students and does research

Online survey at .

T-Shirt designs

Kevin's cat in a box design won

Outreach

Universal Art Competition Update

Sign up to speak in art classes

After the event, pieces will be displayed in the Sparks gallery from April 15<sup>th</sup>, to  
1<sup>st</sup> of May.

We have recruited all our judges

Zach will have more information after the meeting

Super Science Saturday

8am-12pm at Juniata Gap

Meet at 7am behind Osmond

Breakfast is provided

3 different workshops. 3 45 minute sessions

Universe and galaxy (grades 1&2)

Need ideas for the universe workshop

Light and Sound (grades 3&4)

Using sock kit and hands on optics kit

Atomic Physics (grades 5&6)

might use twizzlers and m&ms.

Blair also mentioned a idea:

Stuff the kids with lots of Pillows so they can't reach/ hold  
each other. They try to slam into each other and grab a hold  
of each other. Can do radioactive M&M dealy.

Exploration Day

April 18<sup>th</sup>

Same day as Jersey Zone meeting

Hovercraft needs to be finished.
